PEOPLES JOINING TOGETHER TO GLORIFY GOD AMONG ALL PEOPLES

WANT TO CHANGE THE WORLD?

2,000 Years after Jesus came, more than 6,900 people groups have never heard His Name EVEN ONCE!

YOU CAN CHANGE THAT! HERE’S HOW...

June 2006 through May 2007
Global Prayer & Harvest Initiative
focused on the
6,918 Least-Reached People Groups

Eth-nê is the Greek word Jesus used for "nation"—a word which means tribe, ethnic group or people. Our world today has 6.4 billion individuals living in 234 geo-political nations but over 16,000 ethnê, or people groups, by country. Of those ethnê, more than 6,900 groups remain **least-reached**. This simply means they are a people group lacking an indigenous community of believing Christians with adequate numbers and resources to evangelize their own people group. This means 1 in 4 people still remain without reasonable access to the gospel—the **Forgotten One Fourth World**.

WHY ARE THEY LEAST-REACHED?

- GEOGRAPHIC BARRIERS:** remote, harsh climate, difficult access, or nomadic.
- LINGUISTIC BARRIERS:** illiterate, no scripture in their language, unwritten language, terminology confusion.
- POLITICAL BARRIERS:** restricted access, evangelism forbidden, hostile environment (war?).
- CULTURAL BARRIERS:** persecution, closed to change, Christianity viewed as a "foreign" religion.
- UNRECOGNIZED:** believers unaware of the need or the group, small in size, prejudice, isolated from the society

For more information on regions and people groups visit:
<http://www.joshuaproject.net/globalregion.php>

Strategic Harvest Outreaches focused on the Least-Reached are encouraged for each region for the 90 days during & immediately following the month of global prayer.
